#### WHY CRISP

## Most cleaning companies are inconsistent by design.

Hourly pay means rushed jobs. No SOPs mean missed details. No accountability means you chase them. Crisp is built differently.

#### OTHER CLEANERS

- × Different cleaner every visit
- × Hourly pay, rushed results
- × No standard process
- × Hard to reach, slow to respond
- × Hidden fees and re-clean charges

#### CRISP CLEANING

- ✓ Same cleaner, every time
- ✓ Flat rate pay, performance incentives
- ✓ Standardised SOPs on every clean
- ✓ Dedicated point of contact, always responsive
- ✓ Transparent pricing, no surprises

✕ You supervise. They clean.

✓ You walk in. It's done.

#### WHAT MAKES US DIFFERENT

### Vetted, Insured & Professional

Every cleaner is background checked, insured, and trained to represent the Crisp standard — in their work and in how they treat your home.

#### HOW IT WORKS

## From booking to spotless — here's exactly what happens.

1

### **Book in 30 Seconds**

Enter your home details, schedule and any special instructions. Instant quote, instant confirmation.

2

### **We Handle the Rest**

Your cleaner is assigned at least 48 hours before your clean. You'll receive their profile and a reminder so you know exactly who's coming.

3

### **Day of Clean**

Your cleaner sends an ETA message, arrives on time, does a full walkthrough with you and gets straight to work.

4

### The Crisp Standard

Every item on the checklist is completed. Signature touches added — aroma spray, business card, home presentation. Nothing left to chance.

5

### Final Check & Follow Up

You inspect the clean together. Once you're happy, your cleaner leaves. A follow up message, feedback request and next booking reminder lands shortly after.

*No supervision required. No explanations repeated. Just a reliably clean home.*
